

# THE EDNA PROJECT

THE POETRY OF EDNA ST. VINCENT MILLAY  
SET TO MUSIC BY  
LIZ QUELER AND SETH FARBER

AN ECLECTIC, IMAGINATIVE COLLECTION  
OF 21 SONGS SPANNING FOLK,  
BLUEGRASS, ROCK AND JAZZ.

*"Liz Queler and Seth Farber not only created marvelous songs using the lyric poetry of Edna St. Vincent Millay, they developed a performance style that illuminates the room and enlightens the audience. This isn't just another group doing just another bunch of tunes. What Queler and Farber denote from the mind of Millay is an emotional experience that sings to the very heart of human connections."*

*Peter Bergman, Executive Director, Edna St. Vincent Millay Society*

These sophisticated musical interpretations bring new life to Millay's words. The CD features duets with Vanguard recording artist **Shawn Mullins** and Grammy nominee **Brady Rymer**, as well as stellar musicianship by some of New York's finest players including **Larry Campbell** (Bob Dylan), **Jeff Pevar** (Crosby, Stills & Nash), **Mike Visceglia** (Suzanne Vega) and **Lincoln Schleifer** (Warren Haynes).

The husband and wife team of **Seth Farber & Liz Queler** has collaborated on numerous recording projects, this being their first effort sharing the bill as composers, artists and producers.

Hailed by Billboard Magazine as "a singer's singer", **Liz Queler** (vocals/guitar/mandolin), a native New Yorker and the daughter of renowned opera conductor Eve Queler, has performed on esteemed stages from the Newport Folk Festival to Carnegie Hall. Her voice and compositions have been heard on countless jingles as well as TV and film soundtracks.

**Seth Farber** (keyboards/accordion/vocals) was musical director to the late, great Odette for the last decade, producing three CDs, two of which were nominated for Grammys. He was also assistant conductor at the Broadway musical "Hairspray" for it's 6 year run. Both Liz and Seth currently tour with Grammy nominated children's rock band "Brady Rymer and the Little Band That Could." Along with their son, Joey, they were featured this year on Rosie O'Donnell's HBO special "A Family is a Family Is A Family."
